

MIDDLETON BIKE PARK

Mountain Bike Trails have been built and are maintained by
CAPITAL OFF-ROAD PATHFINDERS
Please support your trails by becoming a member of
IMBA/CORP visit www.corptrails.com

Respect the dirt beneath you. Wet and muddy trails are more vulnerable to
damage than dry ones. When the trail is soft, trails are closed to all users.
Stay on existing trails and do not create new ones. Don't cut switchbacks.
